IMPORTANT

ALL pigs must weigh at least 200 pounds to sell in the Jr. Fair Livestock Sale.

Universal Swine Ear Notching System

Left Ear

The left ear is used for notches to show individual pig number in the litter. Each pig will have different notches in this ear.

Right Ear

The right ear is used for litter mark, and all pigs in the same litter must have the same ear notches in this ear. The right ear is on the pig's own right.

IMPORTANT
