The Fair Will Go On! It's about the youth!

It may not be what we are used to, but the youth of Ottawa County will get to show their livestock and equine projects from July 20th to the 24th, 2020. In this crazy year, let's work together and give them the recognition they deserve! The Junior Fair livestock shows will go on, along with Harness Racing, the Demo Derby, camping, and the chance to get your fried food fix from some vendors. All other events will be cancelled this year due to the uncertain rules and financial costs involved.

How can you help? Below are listed some great sponsorship opportunities. Please consider doing something similar to what you have donated in the past, a specific opportunity, award, or whatever you are comfortable with. Your support will ensure this year's events are covered and we are able to plan for a great 2021 fair!

The Ottawa County Agricultural Society is a 501-C3 non-profit organization. Amounts over \$250 will get a banner on the fence along St. Rt. 163 and website and social media presence.

Thank you,

Jill Carney and Michael Libben
Sponsorship Committee
